Hong Kong Manufacturing into the Pearl River Delta.*

Supervisor: Prof. Lowell Dittmer.

**Ph.D. Examination Fields** (completed June 1995):

Comparative Politics  
International Relations (International Political Economy)  
The Political Economy of Development

**Professional Positions:**

Professor of Political Economy (tenured), Historical and Political Studies, Chaminade University of Honolulu, USA, August 2015-present; developing new programs of study and courses in political economy, political science, international studies, and for the MBA program; principal of Chaminade University's annual *Presidential Policy Forum on Sino-Capitalism* analyzing aspects of China's international reemergence and its implications for the world.

Adjunct Senior Fellow, East-West Center, Honolulu, Hawaii, USA, January 2011-present; managing collaborative research projects focused on China's contemporary reforms and serving as resource person for public diplomacy programs; implemented executive education courses in collaboration with Tsinghua University's School of Economics and Management, Beijing, PRC during 2012-15.

Visiting Scientist (Professor), Department of Culture, Politics and Society, University of Turin, Italy; April 2019- June 2019; conducted independent research and collaborated with colleagues at the University of Turin to design new research projects on China's expanding global influence (e.g., on the AIIB, BRI, and Italy-China relations); gave several lectures and seminars to students, faculty and the general public at the Campus Luigi Einaudi, University of Turin.

Associate Professor of Political Economy (tenure-track), Historical and Political Studies, Chaminade University of Honolulu, USA, August 2011-August 2015; restructured the International Studies-International Relations track study program and developed new courses in political economy.

Director, China-US Relations Program, and Assistant Professor of International Business, College of Business and Economics, University of Hawaii-Hilo, USA, January 2011-August 2011; restructured and redesigned the curriculum for the China-US Relations M.A. program.

Research Fellow, East-West Center, Honolulu, Hawaii, USA, October 2000-January 2011; designed, managed, and provided intellectual leadership for several policy-oriented international collaborations in research, education, and public diplomacy.

Research Fellow, Asia Research Centre, Murdoch University, West Australia, January 1999-April 2000; conducted in-depth research on a variety of Asia-Pacific security and economic issues.

Research Associate, Institute of Asia-Pacific Studies, The Chinese University of Hong Kong, October 1996-September 1997; conducted research on China's state sector reforms.

Dissertation Fieldwork under the auspices of the Shanghai Academy of Social Sciences, August 1995-January 1997

Research Assistant for Prof. Lowell Dittmer of the University of California, Berkeley, 1991-1992; conducted fieldwork in Guangdong on the development of Foreign Trading Corporations.

Sales Executive for China Trade (Flavor Chemicals) at Givaudan (Hong Kong), Ltd., 1990-1991

### **Work in Progress:**

Founding member and principal coordinator (together with Prof. Giuseppe Gabusi) of the Torino World Affairs Institute’s Asia Prospects Network. The Torino World Affairs Institute (T.wai) is a non-profit, independent research institute operating in the fields of global politics and security studies in Turin, Northern Italy. The Asia Prospects Network aims to foster a reflection group of scholars with the mission to identify/analyze emerging challenges in the Asia-Pacific. The Asia Prospects Network was launched with the publication of Giuseppe Gabusi, ed. *Drivers of Global Change – Responding to East Asian Economic and Institutional Innovation*, Torino World Affairs Institute.

Invited cooperation partner for the German Research Foundation (DFG) project titled “Financialization under state capitalism: steering capital markets in the BRICSS” (DFG grant: 446618653) with approved funds of approx. EUR 400,000.00. This project is under the scientific leadership of Dr. Andreas Noelke, Dr. Johannes Petry, and Dr. Kai Koddenbrock and seeks to comparatively analyze the development of capital markets in six state capitalist countries (Brazil, Russia, India, China, South Korea, and South Africa). Grant duration: 2021-2024

Lead coordinator with Dr. Boy Luethje (South China University of Science and Technology, Guangzhou, PRC, and Institute for Social Research, Frankfurt, Germany) on a research project exploring the dynamics of technology innovation and economic rebalancing in China's political economy, with a special focus on technology corporations in the Pearl River Delta. Grant duration: ongoing.

"Sino-Capitalism: China's International Reemergence at the Twilight of the Liberal Order," single-authored book manuscript in progress.

"The Changing Global Reach of Sino-capitalism," journal article in production; initially for presentation at the International Studies Association Annual Convention, Honolulu, March 25-28, 2020 (Annual Convention was subsequently cancelled due to COVID-19); later presented at the Association for Asian Studies 2021 Annual Conference (originally Seattle, then virtual) on a panel organized by Prof. Muyang Chen, Peking University; continuous revisions in progress.

"China's Financial Statecraft and the Transformation of the Global Monetary Order," research project in progress that is generating articles such as "A Brave New World of Money: The Digital Yuan and the Emergence of a Sino-Centric Financial Ecosystem," a single-authored research article in progress.

"China Recalibrates the Global Order," co-authored book manuscript in progress with Prof. Giuseppe Gabusi (University of Turin, Italy).

#### **Referee Work for Academic Journals and Presses:**

*World Politics, American Political Science Review, Review of International Political Economy (RIPE), Review of International Studies, Contemporary Politics, International Affairs, Comparative Political Studies, Economy and Society, The China Quarterly, Socio-Economic Review, China Information, The China Journal, Asian Journal of Political Science, Japanese Journal of Political Science, Issues and Studies, The Pacific Review, Business and Politics, Political Studies, Politics & Policy, Critique Internationale, Management International Review, Stanford University Press, Cambridge University Press, Rowman and Littlefield, Routledge, Palgrave Macmillan Press, Oxford University Press, Manchester University Press, and others.*
